TO OUR FRIENDS.

In presenting our Illustrated Price-List for the Fall of 1875, we embrace the opportunity to thank our friends for the liberal patronage to us, unparalleled in the Hat Trade of New York City,—a business of nearly half a million for the first six months of our existence as a firm. Discarding all the old styles offered season after season, we shall show only new and desirable goods, and endeavor to meet the hitherto unsatisfied demand for "something new." We shall present "The Boyden Hat," (of which style, alone, we sold 430 doz. in ninety days), modified to suit the season. "The Boynton," a new candidate for public favor, a genteel, gentlemanly style for business, or dress occasions. Also "The Dollymount," "The 530," a style as good, and as sure to take, as Government Bonds. "Gen. Dakin," "Bodine," "Coleman," "Gildersleeve," besides other new styles which we have in hand, and to which we invite the attention and examination of those in search of *new* and *stylish* goods.

Satisfied that our plan is the correct one, we shall continue to sell our goods at the *lowest possible price*, in spite of the numerous rings formed against us, and the carpings and criticisms of our competitors.

FALL AND WINTER CAPS.

We have a large line of new and desirable styles in all the varieties of material for Men's and Boys' wear.

Our stock of Fur Caps will be unsurpassed this season.

GLOVES AND MITTENS.

We will show the entire production of a large Fulton Co. Manufacturer, consisting of all the varieties of Buck, Cape, Antelope, Kid and Cloth Gloves and Mittens. The largest and best stock we have ever shown.

TRUNKS.

We keep a full and complete assortment of Packing and Traveling Trunks, Leather Bags, Satchels, etc., which we sell at *Manufacturers prices.* Parties ordering goods packed in trunks, will state style and size desired.

UMBRELLAS.

We have renewed our arrangement with one of the largest Manufacturing houses in the country to sell their goods at *Manufacturers prices.* We shall keep a full line, and invite the attention of dealers to an examination of our stock.

Prices 45c, 55, 65, 75, 90, $1, 1.10 to $4 each.

We particularly recommend our "Great Bear" braud, (which has been improved and strengthened), as durable, fast colors and waterproof, put up in half dozen assorted sizes, with glazed covers, and a handsome Chromo of our trade mark. Prices 26 in. $1.15; 28 in $1.25; 30 in. $1.35; 32 in. $1.45; 34 in. $1.65.

FURS.

All manufactured on the premises

We will show the *entire production* of JOHN W. GAY (the inventor of Gay's Excelsior "Fur Band Muff"), so well known as a superior workman, manufactured under his personal supervision, which is a guarantee of excellence, in Sable, Seal, Mink, Ermine, Fitch,

Alaska-sable, Siberian Squirrel, Otter, Beaver, Bear, Wolf, Astrakan, Coon, Fox, Rat, Coney, Rabbit, etc., all of this years collection, (freshly dressed, and consequently free from Moth and other destructive vermin), made in the best possible manner, with the newest trimmings, from the commonest Rat to the richest Sable. Seal Sacques and Caps a specialty.

We will have the exclusive sale of the "Patent Fur Band Muff," which having real merit as well as novelty, is growing in popularity.

All kinds of Material used in Manufacturing Ladies and Gent's Furs, Robes, etc. on hand.

Repairing of all kinds done in the best manners.

ORDERS.

Those who feel disposed to order and are not already dealing with us, will please give Town, County and State in full, with their *references* and shipping directions, stating on what terms they wish to buy. Of course our book does not show a "tithe" of the styles we have on hand (numbering some 3000 different varieties), still it will

assist materially to make up an order ; also please state clearly the number of the style desired, color and price. Wool hats should be ordered by the dozen, so as to get them in a box, clean and in good order. Soft Fur hats are usually put up half-dozen in a box, and can be ordered in that quantity. Those who order from *us*, may rely upon having their goods *carefully selected*, at the very *lowest prices*, and *promptly shipped.*

"ONE WORD MORE."

We are often asked by our Customers, and sometimes by our Competitors: "How can you sell so cheap?" — Answer: We grew up from boys in this business, and understand it from A to Z, thoroughly. We pay "*Cash down*" for everything. We have a good cheap store (no barn or fancy front), and our rent is only $1100 this year. We do not pay any outside commission to be added to the price. We have no "high priced" salesmen, and *we work ourselves;* are all producers; no drone in "our hive." We can, either of us, sell a bill of goods, pack it and ship it too, if necessary. It is easy for *us* to answer. *We* know *why* we can undersell our neighbors.
